I feel confident that I am in possession of the I feel confident that I am in possession of the only sure, infallible remedy—now known to the profession for the speedy, positive cure of that dread disease, and its unwelcome concomitants, viz: Catarrh, Asthma, Bronchitis, Nervous Deblity, etc., etc. I am old fogy. I believe in medicine. Twenty-eight years experience as a busy practitioner in the best consumption hospitals is the old and new world has taught me the value of proper medica ton both local and constitutional in the cure of this great enamy of our race. I have found it. But I am digressing.
